

TEREGO AMBASSADOR PROJECT DETAILS

- The initiative to recruit new Terego hosts applies to all Canadian provinces except Quebec.
- Terego offers aspiring ambassadors with a basic kit to facilitate the recruitment process, which includes the following documents:
 - Explanatory document (Project details).
 - Checklist of information to pass on to the potential host.
 - Fact Sheet summarising the benefits of becoming a Terego host.
 - Terms and conditions of use for Terego hosts.
 - Commitments made by Terego members towards hosts.
- Payment will be made when a recruited host has completed an application on [terego.ca](https://www.terego.ca), the application has been evaluated as eligible and a listing has been posted online by Terego. For the ambassador to be remunerated, the host must have indicated the ambassador member's name and membership number in the application. Two compensation options are available for each new host recruited:
 - Option 1: \$75 (by bank transfer).
 - Option 2: add one year to the duration of the ambassador member's current membership.
- The Terego ambassador explains to the potential host how Terego works and the advantages of becoming a host, based on the information in the reference document provided by Terego. They provide the potential host with their name and membership number. A space is provided on the Fact Sheet for this purpose.
- The potential host applies for membership online at [terego.ca](https://www.terego.ca/en/host-experience) (<https://www.terego.ca/en/host-experience>) and enters the name and number of the Terego ambassador who recruited them. We strongly recommend that this step is carried out at the time of the member's visit to avoid long delays or oversights.
- The Terego ambassador then sends an email to info@tereago.ca to inform them of the recruitment:
 - Date of visit
 - Name and province of the recruited host
 - If known: website and/or Facebook link
 - If possible: photos of the site and relevant information to help draft the listing (e.g. sloping ground, gravel path to get there, view, etc.).
 - Desired compensation option.
- Terego will contact the host who applied online to verify their expectations and eligibility and answer any questions they may have. The listing is then drafted and published online.
- 2 weeks after the listing has been published online, Terego will pay the ambassador member, depending on the option chosen, and will send them confirmation by email.
